

The DELIVER Research Project:

- Explores what the people and healthcare providers of western Victoria need most in terms of home-based healthcare services and identifies research-informed solutions
- Co-designs and tests local solutions, so that home-based healthcare services will continue to grow and improve across the region and beyond
- Supports the growth of research translation capability and capacity in western Victoria, so that future research findings can quickly be translated to improvements in healthcare

DELIVER

Research for better healthcare
closer to home

Find out about DELIVER activities at your health service:

BARWON HEALTH

- Site investigator: Jodie Reid

COLAC AREA HEALTH

- Site investigator: Laura Alston
- Research Assistant: Jennie Darcy

EAST GRAMPIANS HEALTH SERVICE

- Site investigator: Jaclyn Bishop
- Research Assistant: Jake Romein

GRAMPIANS HEALTH

- Site investigator: Anna Wong Shee
- Research Assistant: Mick Kirby

WESTERN DISTRICT HEALTH SERVICE

- Site investigator: Ishaan Ameen
- Research Assistant: Alex Enright

SOUTH WEST HEALTHCARE

- Site investigator: Kerryn Anderson
- Research Assistant: Eloise Simpson
