

The DELIVER Research Project:

- Explores what the people and healthcare providers of western Victoria need most in terms of home-based healthcare services and identifies research-informed solutions
- Co-designs and tests local solutions, so that home-based healthcare services will continue to grow and improve across the region and beyond
- Supports the growth of research translation capability and capacity in western Victoria, so that future research findings can quickly be translated to improvements in healthcare

DELIVER

Research for better healthcare
closer to home

Find out about DELIVER activities at your health service:

BARWON HEALTH

Site investigator: Jodie Reid
Research Assistant: Megan Battersby

WESTERN DISTRICT HEALTH SERVICE

Site investigator: Tam Phillips

COLAC AREA HEALTH

Site investigator: Laura Alston
Research Assistants: Kaitlyn McKenna
& Samantha Freudenstein

SOUTH WEST HEALTHCARE

Site investigator: Kerry Anderson

EAST GRAMPIANS HEALTH SERVICE

Site investigator: Jaclyn Bishop
Research Assistant: Celina Day
