

## The DELIVER Research Project:

- Explores what the people and healthcare providers of western Victoria need most in terms of home-based healthcare services and identifies research-informed solutions
- Co-designs and tests local solutions, so that home-based healthcare services will continue to grow and improve across the region and beyond
- Supports the growth of research translation capability and capacity in western Victoria, so that future research findings can quickly be translated to improvements in healthcare

# DELIVER

Research for better healthcare  
closer to home

## Find out about DELIVER activities at your health service:

### BARWON HEALTH

Site investigator: Jodie Reid  
Research Assistant: Megan Battersby

### WESTERN DISTRICT HEALTH SERVICE

Site investigator: Tam Phillips

### COLAC AREA HEALTH

Site investigator: Laura Alston  
Research Assistants: Kaitlyn McKenna  
& Samantha Freudenstein

### SOUTH WEST HEALTHCARE

Site investigator: Kerry Anderson

### EAST GRAMPIANS HEALTH SERVICE

Site investigator: Jaclyn Bishop  
Research Assistant: Celina Day

### GRAMPIANS HEALTH

Site investigator: Anna Wong Shee
